

Charitable Giving 2018

a culture of giving

Millers Mutual's Charitable Giving Committee exists as a dedicated community and industry partner, concentrating resources to have an impact on community development and safety. We take pride in giving back to the communities we serve. Our charitable giving efforts focus on organizations that align with our core values and those of our customers.

American Red Cross, Central PA Region <<<<<<

Millers Mutual employees helped the American Red Cross "Sound the Alarm" about fire safety in April 2018. Our folks teamed up with local fire departments, volunteers and other partners at a local home fire safety and smoke alarm installation event, installing alarms in a local neighborhood, as well as donating 500 smoke alarms to the event.

HDC Mid-Atlantic <<<<<<

We proudly sponsored HDC MidAtlantic's 2018 Faces of Affordable Housing event on April 19, 2018. HDC MidAtlantic is a 501(c)(3) non-profit organization whose mission is to build hope and opportunity by providing a safe and affordable place to call home. They deliver high-quality and secure housing solutions through innovative property management, real estate development and resident services.

United Way of the Capital Region <<<<<<

We supported the annual United Way fundraising campaign with over 94% employee participation in 2018. In addition, we are active participants in the popular Day of Caring program, serve on various committees, participate in the annual Trike Race, and support the annual Poinsettias sale. In total, Millers Mutual employees donated \$25,478.38 to the annual fundraising campaign, with an additional corporate donation of over \$3,000.

Capital Area Head Start, Keystone Human Services <<<<<<

Capital Area Head Start (CAHS) gives children a head start in life, empowers parents, and strengthens families. Our charitable giving committee agreed to a donation of \$10,000 to be the Safety Sponsor for The Capital Area Head Start.

National Fire Prevention Week Campaign <<<<<<

Every year the National Fire Prevention Association raises awareness about Fire Safety and Prevention during a week-long campaign. This year's Fire Prevention Week campaign, "Look. Listen. Learn. Be aware. Fire can happen anywhere," works to educate people about three basic but essential steps to take to reduce the likelihood of having a fire—and how to escape safely in the event of one. This is the third year Millers Mutual assembled and distributed 1,500 fire prevention kits to various apartment communities in the Central, PA area. This year's kits included a smoke detector replacement battery, children's growth chart with fire safety tips, fire safety brochure and a fireman pen!

Capital Area School for the Arts <<<<<<

In 2017, we lost a dear friend and coworker. William "Bill" Gregory, our past Vice President of Operations, passed away from a short battle with cancer. Bill was passionate about the Capital Area School for the Arts, as he served as a board member for many years. Millers Mutual held a fundraising event in April of 2018 which raised over \$8,500 to be donated to the school in his honor and memory.

Big Brothers Big Sisters of the Capital Region <<<<<<

Big Brothers Big Sisters of the Capital Region commits to the kids and families they serve year-round. Their mission is to provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for the better. Millers Mutual partners with the organization to help make this program possible. In 2018, in addition to our corporate sponsorship, we participated in the Bowl for Kids' Sake signature event and held a school supply drive and lunch and learn about the organization for our employees.

Ronald McDonald House Charities of Central Pennsylvania <<<<<<

The Ronald McDonald House® keeps children and families together by providing temporary housing, at no charge, to out-of-town families of seriously ill children who are being treated at Penn State Children's Hospital. On May 2, 2018, 8 employees volunteered their time to provide a home-cooked meal to the Ronald McDonald House guests in Hershey, PA.
