Riverside Brokerage Services is a full-service brokerage office that serves our agents by providing insurance products, professional expertise, and knowledge supporting the multifamily housing and commercial real estate industries. Our goal is to offer our partners the tools necessary to provide the total solution for the commercial property and casualty needs and exposures of our customers.

## AVAILABLE PRODUCTS

### Workers Compensation

Access to Eastern Alliance Insurance Group's A.M. Best Rating A (Excellent) product for your customers' workers compensation coverage needs.

### Property Damage Liability *OwnersPROTECT*

Protection for property owners from resident-caused losses including damage caused by fire, smoke, explosion, water discharge, and sewer backup.

### Commercial Auto

Because most organizations own, lease, rent or otherwise use automobiles, liability arising out of the ownership or use of automobiles is a common loss exposure.

### Flood

Protect businesses from flood-related losses that traditional businessowners policies do not cover.

### Vacant Property

Provides coverage for those times when your customer's dwelling or commercial property is vacant due to resident transitions or renovations.

### Umbrella

An additional layer of protection for your customer's liability claims that exceed the limits of their general liability policy.

## FOR **MILLERS MUTUAL INSURANCE AGENTS**

---

Riverside offers various products that complement the Millers Mutual businessowners policy. Our goal at Millers Mutual is to make certain we equip our agents with coverages to protect our niche-focused customers, offering our agents a one-stop shop and the total solution for multifamily housing, affordable housing, and commercial real estate customers.

## ACCESS TO **MILLERS MUTUAL INSURANCE**

---

Riverside Brokerage also provides access to Millers Mutual's products for those agents who do not have a direct appointment with Millers Mutual. At Millers Mutual, the businessowners policy and enhancements are specifically crafted for those in the multifamily housing, affordable housing and commercial real estate classes of business.
