

Workers Compensation WITH BETTER OUTCOMES

> Eastern Alliance WC Access

Help prevent potential loss

Return injured workers to
wellness and productivity

Manage cost

Riverside gives you access to Workers Compensation coverage from Eastern Alliance Insurance Group – A.M. Best Rating A (Excellent) – providing you greater underwriting expertise, pricing acumen and industry-leading claims and risk management services to Pennsylvania, Maryland, Delaware and Virginia. Their proactive focus on early intervention and disability management can benefit your loss experience and helps keep your costs down. An innovative ecovery® program offers customizable, jurisdictionally-appropriate tools, resources and education to help return injured workers to wellness and productivity by using work as a therapeutic tool.

Eastern Alliance WC Access also comes with industry-leading medical care management programs, online risk management and safety resources plus fraud prevention resources.

Eastern Alliance WC Access is made possible to you by Riverside Brokerage Services.
